Giaretta  **Italia** s.r.l.

Giaretta Italia s.r.l. ha sede a Pove del Grappa, in provincia di Vicenza, ed è leader, sul mercato nazionale ed internazionale, nella produzione di

materiale ad alto contenuto tecnologico e di design.

Giaretta Italia s.r.l. esprime un'altissima professionalità nei suoi vari campi di attività: produzione, distribuzione e messa in opera di pavimentazioni antiacido, piscine, tappeti tecnici, nonché creazione di mosaici esclusivi.

Grazie alla sua organizzazione dinamica, professionale e specializzata, l'esperienza trentennale della Giaretta Italia s.r.l. evolve felicemente, sempre perfezionando e sviluppando nuovi impianti e prodotti.

La linea JOYCOLOR DESIGN presenta mosaici e ciottoli, ceramici e vetrosi, di notevolissimo artigianato, destinati ad inserirsi, con naturale raffinatezza, in spazi sia pubblici sia privati.

I toni dei colori sono sfumature che mutano come il tempo, e l'armonia delle forme ne valorizza la lucentezza.

Originali e belli emanano solarità, stimolando così una personalissima creatività.

Giaretta Italia s.r.l. has its seat in Pove del Grappa (VI), Italy, and it is a leading firm on the Italian and international market in the

production of high technology and design materials.

Giaretta Italia s.r.l. expresses a very high skill in its different spheres of activity: production, distribution and installation of anti-acid floors, swimming-pools, entrance mats as well as the creation of exclusive mosaic tiles.

Thanks to its dynamical, professional and specialized organization, the thirty-years' experience of Giaretta Italia s.r.l. grows up successfully, always improving and developing new structures and products.

The line JOYCOLOR DESIGN presents ceramic and glass mosaic tiles, pebble stones, of remarkable handicraft, which are bound to be inserted, with natural elegance, in both public and private areas.

The colour shades are gradations changing like the seasons, and shapes' harmony enhances their shine.

Original and charming, they radiate brightness, so as to stimulate a personal creativity.
